Reference: RFP-1C-28-81P dated 25 June 1981

In response to the referenced RFP we are pleased to submit our proposal for a six-month effort.

This proposal consists of this letter and the attached technical, cost and contractual sections.

We have responded directly to the RFP and in addition have offered for consideration options, which we feel have merit.

The general provisions contained in the RFP are acceptable to us as the basis for negotiation of any cost type agreement resulting from this proposal.

This proposal may be considered firm for a period of 90 days from the date of this letter.

For any information or liaison on our bid, please contact
